Rockin' Fall Weekend

September 23-25

Join us for an adventure! We're headed to Taylors Falls, where we'll camp, rock climb, hike, canoe, and enjoy alpine slides and go-karts. This trip is all about building relationships, and it's a great opportunity for you to connect a friend with our group!

Cost: \$65 (\$50 with a friend)

Connect

30-Hour Famine

March 2-3

Can you go without food for 30 hours? Much of the world does because they can't afford it. You can choose to go without and, in doing so, help feed hungry kids, serve your community, and have a lot of fun together!

Cost: free!

Serve

District-Blitz

April 27-29

This is the favorite weekend of the year at The Edge! Join us for a road trip to Rochester for the annual district conference, where we'll worship, learn from great speakers and seminar leaders, and have a blast hanging out together.

Cost: \$80

Ministry Team Retreat

January 20-22

One of our values is building into leaders. The Edge has a student ministry team (grades 8-12) as well as a team of volunteer adult leaders, and once a year we have a retreat for training, planning, evaluating, praying, and playing together.

Cost: Free (for ministry team).

Mission: Harvest Chicago

Details TBD

This trip is back by popular demand! Our middle schoolers will once again be headed to Chicago to work alongside The Rock Church as they host their community carnival. It's a great experience in cross-cultural ministry not that far from home, and our students had a blast last summer!

Challenge'12: New Orleans

First week of July; Details TBD

It's a life-changing conference. It's an urban mission trip. It's a chance for our high schoolers to serve some ministries reaching out to the New Orleans area for a week while we also get to learn from great teachers and worship with thousands of other students. We're really excited about the opportunities this trip will offer!

FUNdraisers

We do our best to help all students afford the trips they want to take. For Districts and Rockin' Fall Weekend, we have some partial scholarships available for families that need them. We also offer fundraising opportunities, which are especially valuable for students participating in our bigger summer trips. This year, here's what we've got planned:

Edge Fest **Oct 9:** A carnival celebrating the completion of our building remodel (*benefits building project*)

Booya **Dec 4:** Making and selling bowls of booya—you've gotta try it if you haven't (*benefits scholarship fund*)

Chili Cook-Off/Student Auction **Feb 17:** It's become a favorite annual event! Submit your favorite or just come sample all the wonderful chili recipes (*benefits summer trips*). Students can also auction themselves off for 4 hours of work, and proceeds from the auction go directly to their individual student accounts.

We're also planning to put together some community fundraisers like **grocery bagging** and a **car wash** next spring to give students a chance to earn more money toward their summer trips.
